

High Output LED Docking/Spreader Flood Light

Features

- IP66 rated; Fully sealed for watertight use
- Compact docking light with high lumen output
- Energy efficient LED technology
- Cool white 5,000K light output
- 50,000 hour life
- Impact and UV resistant polycarbonate lens
- Available with oval or round lens

Product Details

Housing Material	Anodized Aluminum
Lens Material	Clear Polycarbonate
Voltage	10-14V DC
Wattage	1.6W
Current	0.19A @ 12V DC
Color Temp.	5000K
Lumens	175LM
Cutout Dimensions	0.875"
Beam Angle	120°

Part Numbers	
69722E	Clip Mount
69723E	Threaded Nut Mount
69723RE	Round Lens Threaded Nut Mount
